

Pray JAMES 5:16 FOR ONE ANOTHER

August 3, 2024

Update: Pastor Larry Wersen is recovering extremely well from a bad fall last month, and has fully recovered from a subsequent bout of pneumonia. He will be released from the hospital this week to head back home. Then he will continue physical therapy to regain his strength and get back into fighting shape! So, please pray for a smooth transition as Larry works to get back to independent living.
