

Pray JAMES 5:16 FOR ONE
ANOTHER

June 21st, 2026

Please keep Steve and Brenda Hall in your prayers this week. Steve is scheduled for an extensive back surgery on Monday, June 22, at Skagit Hospital. As they prepare for this procedure, pray that God's peace would guard their hearts and minds, bringing comfort and confidence in His care. Please also pray for wisdom and skill for the surgeons, physicians, nurses, and all those involved in Steve's treatment. We ask the Lord to guide every detail of the surgery, grant Steve a smooth recovery, and provide strength and encouragement for both Steve and Brenda in the days ahead. Thank you for joining us in lifting them before the Lord and trusting Him to be their source of hope, healing, and strength.
